Interstate Battery named best store

Each month Interstate All Battery Center announces their top performers through a comprehensive evaluation of a location's performance. The contest is measured by a variety of parameters including growth, sales transactions, marketing and more.

The contest will last until December and the location that performs the best overall will be announced during IABC's February annual convention.

In August and September your local Ridgeland Interstate All Battery Center was rewarded best store.

"This contest helps us to focus on all areas of our business and not just immediate sales; we are able to concentrate on the needs of our customers," said the husband-and-wife duo, Kevin and Debra Erwin. "We have awesome customers and know many of them on a personal level."

Interstate All Battery Center offers more than 16,000 batteries and power solutions in the Ridgeland location at 243 U.S. 51, open since 2001.

Both credit the success of their business to hard work, great employees and customers. "We believe in going the extra mile to provide a solution for our customers' needs, whether it is something as small as a watch battery or as large as an automotive battery," said Debra Erwin.

Realtor McClellan joins Crye-Leike branch

Realtor Shelly McClellan has joined Crye-Leike in the Ridgeland branch office located at 731 S. Pear Orchard Road.

"I am so excited to be able to work with a company like Crye-Leike," she said. "My mother was a very respected, well liked and successful realtor for many years in this area. Real Estate is something I have always enjoyed following and I look forward to a great future in the real estate arena."

Since 2005, McClellan has been a licensed Realtor in Mississippi and she looks forward to assisting buyers and sellers in and around Rankin, Madison and Hinds counties. She specializes in all types of residential real estate sales with a focus on new home construction. McClellan is a member of the Jackson Association of Realtors (JAR), the Mississippi Association of Realtors (MAR) and National Association of Realtors (NAR).

In addition to her career in real estate, McClellan is the practice administrator for an ophthalmology practice located in Jackson. She has been with the practice since 2006.

"Just like my mother, I want to learn as much as I can about real estate," she said. "I have set really high goals for myself, and I look forward to making those goals a reality. With the Crye-Leike team behind me, nothing is impossible and I look forward to serving those needs of my clients and friends."

McClellan and her husband Randy live in Madison and they have four children and seven grandchildren. She enjoys spending much of her free time with her family and attends Pinelake Church in Madison.
